EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Specification

Page 8: on line 32, after "means", -- 100 -- has been inserted (based on Applicants' Remarks on page 12 of communication dated January 22, 2008).

In the Claims

In claim 10: on line 6, before "electrodes", -- second -- has been inserted back in; and on line 7, before "reset", "second" has been deleted. The latter change was suggested in the previous Office action, but for some reason, in the January Amendment, the change was made on the wrong place.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: (The statement was given in the previous Office action).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
